

The Bodhi Table by Massage Concepts: Distinct Quality ... Incredible Value.

Imagine finding a massage table crafted of superior design, premium materials, and unsurpassed strength ... one which was designed exclusively with the therapist in mind. Its strength and easy manageability provides unrivaled performance for the massage professional, student, or home user. It's also loaded with valuable features such as a cushioned headrest and handy carrying case – bonus items which usually cost extra!

Now, imagine if you could get a hold of such a product **for over \$150 less** than similar models offered by the 'big boy' manufacturers and suppliers. With such a phenomenal deal as this, you'd enjoy the satisfaction of knowing you're giving your customers or students an exceptional product at a great value - not to mention sending your own profits through the roof!

You'd probably say it's a no-brainer, right?

We'd like to introduce you to **The Bodhi Table** by Massage Concepts. In a class all by itself, the Bodhi offers a balanced, beautiful design and solid engineering. This portable and durable massage table simply cannot be found at a better price - anywhere.

The Bodhi features **a non-squeak hardwood frame, an adjustable height range of 23"- 33"**, **and more**:

"The Beauty of Bodhi"

- **Reiki End Plates** which allows therapists to tuck their legs under the table, providing much-needed leg room for neck, head, feet and leg work
- An included **Cushioned Headrest** for ultimate client comfort and relaxation
- **Accessory/Headrest Holes** at both ends of the table, allowing the therapist to extend the life of the table by alternating the clients' positions over time
- Upholstered in a **Deluxe 3" Thick Foam System** for maximum wear and comfort
- **Soft, Smooth Doeskin Vinyl Covering** available in an array of popular colors
- **Strong, Sturdy Hardwood Frame Engineering** including high-quality cabling and connectors, which ensures the safety of the patient and therapist ... and makes this one "workhorse" of a table!
- **A Net Weight of only 31 pounds** which makes this table readily portable
- **A Working Weight of 500 pounds** which allows for complete stability and client safety
- **A Static Weight of 4,000 pounds** ... a true testament to the table's strength
- **A Ten-Year Guarantee** on the frame ... that's how confident we are in the quality of our product!

The Bodhi portable massage table is designed for easy setup, and with both the therapist's and client's complete satisfaction in mind. Clients will appreciate the comfort and attractiveness of the Bodhi, while practitioners will praise its sturdiness, safety, and accessibility. Our beautifully handcrafted table lends itself to many bodywork methods including Reiki, Deep Tissue, Myo-Fascial, Swedish Massage, and Lomi Lomi. It's sure to be admired in even the finest of spas.

Best of all, it's **directly comparable** to the much pricier models on the market!

“So Why Pay More if You Don't Have To?”

In the interest of offering a superior product at an unbeatable cost, we've priced our Bodhi model at an incredible **\$225**. You absolutely *will not* find quality and distinction like this anywhere else at a lower wholesale cost.

Compare - and see for yourself!

Massage Concepts, Ltd.**

P.S. Massage Schools, Take Advantage of Our Featured Bonus! As an added gift, Massage Concepts is offering a **Student Voucher Program**. Enhance your students' success by offering them the distinct benefits of our Bodhi Table – and make a profit too. Here's how it works: If you include a \$300.00 voucher in your tuition cost - which can be redeemed exclusively towards the purchase of a Bodhi Table - Body Concepts will only charge you \$250.00 for the table. As our 'thanks' to you for sending us new customers, **your school will make \$50 off of each Bodhi Table purchased by your students!**

P.P.S. Remember, the Bodhi model includes the same exact features and specs as the leading brand of portable massage table – and then some. While "their" table offers Reiki endplates, the Cushioned Headrest, and Carrying Case as "add-ons" (in other words – more cost to you!), the Bodhi Package *includes* these features, all at one fantastic price.
